The Charge table lamp, from the BePureHome collection, is a unique piece. The base of the table lamp has a very sleek design and is made of metal with a shiny gold coating. This shine is extra attractively diffused through the striking shade made of unique glassware.

## Material

The metal in our collections has various finishes, such as brass. The brass finishes in our collections are applied to the metal with a mix of copper and zinc, which can then be finished in a brushed look, matt or shiny. Brass gives a weathered golden look to the furniture.
