The Daily Series of cabinets, from the collection of Dutch interior design brand vtwonen, lives up to its name. Daily is the perfect storage solution for your daily routine. Use Daily as a stylish wardrobe in the bedroom, a compact shoe cabinet in the hall, a trendy china cabinet in the dining room or a timeless sideboard in the living room. Choose from narrow and high, wide and low or wide and high, Daily will provide the perfect storage solution for your living space.

WARNING tipping hazard!

For wardrobes higher than 70 cm, we recommend paying extra attention to the wall mounting. Mounting the fall prevention device prevents accidents and keeps the cabinet from tipping over.

Material

The pine furniture in our collections is FSC-certified and is treated in various ways. For instance, sanded pine is very smooth and neat. Pine is characterised by a light yellow colour and visible flame markings. These visible characteristics shine through the dakargrau coloured finish and are intensified by long-term exposure to direct sunlight.
