The playful Turtle coffee table is a new addition to the vtwonen collection. The unique leg design of this side table provides an exciting twist, combined with the timeless use of colour and the strong mango wood, the Turtle coffee table is a showpiece for the long term.

Material

Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterized by clearly visible grain and colour shades. The grains, a yellow glow or dark lines and knots make every mango wood item unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged.
