Striking yet subtle, sleek design yet friendly shaped. This playful set of side tables High Heels, by Dutch brand vtwonen, easily blends into your living style. The stylish design has rounded edges, making the set look friendly and easily blend into a space. Place High Heels together for optimal usage space or separate for various purposes such as plant table or coffee table.

Material

The tables are made of mango wood with a glossy black coating, making the side table set a striking pair. Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood has a variety of natural color and grain nuances. The grain, a yellowish-brown color, is unique. Mango wood is a hard wood and the item will not easily be damaged.
