The Coen wardrobe is characterised by its airy, simple design. The wardrobe comes from the collection of Dutch interior design brand WOODOOD and is an ideal storage unit with a compact layout. The wardrobe contains no fewer than five hanging hooks, a rod and four storage compartments. Plenty of room for clothes and accessories!

## WARNING tipping hazard!

For wardrobes higher than 70 cm, we recommend paying extra attention to the wall mounting. Fall prevention mounting prevents accidents and preserves the cupboard from tipping over.

## Material

The metal in our collections is made of high-quality steel. The matt black powder coating provides a luxurious look and protects the metal from rust. The powder coating is a lacquer that is attached to the metal using high temperature.
