### Additional description

- Eye-catching, robust side table
- Made of metal with a woolly brass finish
- With clear flame markings
- H 42 cm x W 36 cm x D 36 cm

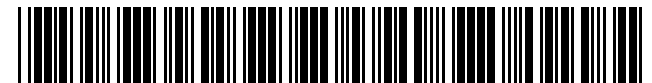

The Ariel side table, from the Exclusive collection by Dutch interior design brand WOOD, is a striking piece with a very unique coating. The side table is made of metal but has a very exciting flame pattern due to the very rough, brass coating. The clouded effect on the dark bronze shade creates a lot of depth. Ariel is a real eye-catcher!

### Material

The side table is made of metal with a dark, coarse brass finish. The metal in our collections has various finishes, such as antique brass. The antique brass finishes in our collections are applied to the metal with a mix of copper and zinc, which can then be finished in a brushed look, matt or shiny. Antique brass gives a weathered golden look to the furniture.
