Additional description

- Robust dining table with simple design
- Made of mango wood
- Highly visible grain marks and knots
- H 76 cm x W 220 cm x D 90 cm

The Balk dining table is a robust addition to the collection of Dutch interior design brand Basiclabel. The table has a simple design but is very expertly and generously crafted. The mango wood has clearly visible grain and knots, which makes the table an exceptionally sturdy specimen. Is your living style ready for such a sturdy Balk?

Material

Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.
