This Lola stool is an inconspicuous regular. The stool comes from the collection of the Dutch brand Basiclabel. Lola is very attractive because of the ceramic design. Because each item is handmade, the finish may vary from the product picture. Each item is unique!

Material

Ceramics are formed from modelled, baked clay. The ceramic items from our collections are glazed with a matte or glossy layer, this ensures a striking appearance and an extra protection of the material. Our ceramic items are suitable for indoor and outdoor use, but are not resistant to hard rain and frost. Ceramics are extremely heat-resistant but can be fairly porous if handled roughly, so careful maintenance is recommended.

Dimensions

- Height: 45 cm
- Diameter: Ø 33 cm
- Weight capacity: 100 kg

Maintenance

Ceramic items are easy to keep clean with lukewarm soapy water and a soft cloth. Drying the surface afterwards ensures a streak-free result. Is the ceramic damaged? You can fill up scratches with a repair fluid
