The Japandi philosophy behind the new collection by Dutch interior brand BePureHome comes from the Japanese term: ukiyo. This stands for detaching yourself from daily worries and consciously living in the moment. This appealing furniture series is characterised by sleek design, warm wood tones and powerful simplicity. The items bring together Japanese finesse and oriental wood art. These stylish features have been brought together flawlessly in our own factory in Zwaagdijk-Oost, the Netherlands. Pure Dutch craftsmanship with Japanese inspiration.
