### Additional description

- Chic decorative cushion
- With romantic print
- Covered with printed velvet (100% polyester)
- Ø 45 cm

Chic and elegant that is this Vogue decorative cushion from the collection of the Dutch brand BePureHome. The soft, rich velvet fabric makes the pillow a piece of jewellery for today's interior.

### Material

This Jalit velvet fabric has an amazing print as well as a luxurious look. The fabric feels fine and has a nice light sheen. The Jalit printed velvet consists of 100% polyester and has a full and heavy quality. The material is therefore suitable for intensive use (Martindale 100,000). Besides the stylish design, the printed velvet fabric remains beautiful for a long time. The cushion is filled with a combination of 50% cut foam and 50% silicon fibre.

### Dimensions

The Vogue decorative cushion is +/- 45 cm round. The dimensions are subject to change due to the roundness of the cushion. The decorative cushion does not have a zip.

### Maintenance

Small stains can easily be removed by dabbing with an absorbent cloth. Larger stains can be easily removed with a mild detergent and a microfibre cloth. If necessary, use a hair dryer to dry the stain more quickly. Keep enough distance so that the fabric does not burn. Afterwards, the fabric can be brushed with a velvet brush. This brush is very good for weekly maintenance. Impregnation is strongly discouraged for our velvets and teddy fab...
