Material

The Owen rib fabric is a true classic, Owen is compactly woven and feels very comfortable! Our soft Owen rib fabric is made from 100% polyester thread. With a Martindale of 100,000, you don't have to worry about scratches or loops. The rib fabric has a reinforced backing and looks very slim due to the narrow web pattern. The compact piles are sheared slightly in length, which gives the fabric a soft feel.
