Additional description

A true eye-catcher in any interior! This Vida side table from the interior brand WOODO has a trendy and luxurious look, this is due to the combination of the black porcelain table top with marble look and the slim black metal base. The black metal base can be scissors if desired, making it foldable. This makes moving the table easier. The porcelain top with marble look makes every table unique.

This Vida side table is 40 cm high and has a diameter of 80 cm. The top is 1 cm thick.

Vida side table is also available with a height of 48 cm high and a diameter of 60 cm. Both sizes are also available with a white porcelain table top.
