Deep and peculiar are two characteristics of this interesting Bounds side table. The side table comes from the collection of the Dutch interior label BePureHome and is an eye-catching specimen. The combination of wood and metal with a dark antique gold finish gives Bounds a mysterious shine and lived-in look. Tough yet elegant.

## Material

Plywood is made of pressed sheet material that is glued together. This makes plywood a real solid wood look-a-like and very strong. Plywood is known for its light weight, durability and the ease of working with it.

## Dimensions

This sturdy side table has a height of 41 cm and is 41 cm in the round. The raised edge around the table top is 4 cm high. The legs are each 37 cm high. The table has a bearing capacity of 30 kg when evenly distributed or centrally placed. The side table itself weighs just under 4 kg.

## Maintenance

The plywood in our collection is treated and protected at all times. This makes it easy to keep the plywood item dust to rub the plywo...
