Ready for hours of comfortable after-dinner dining? Then Ezra dining chair is the right choice! The Ezra chair is from the collection of Dutch interior design brand WOOD and offers a comfortable secure seat thanks to the armrests and higher backrest. Extra handy; you can easily roll the chair in all directions using the four subtle wheels.

## Material

The Ezra dining chair has a metal frame with a matt black powder coating, plastic wheels and a padding of firm foam. Ezra is upholstered in a woven fabric. Our Rolo woven fabric has a soft feel and a full grip. The fabric is striking due to the subtle matte sheen of the chenille. Rolo is made of 100% polyester and has a visible weave pattern. The woven fabric is suitable for heavy use with a Martindale 80,000 and a reinforcing, felt backing.
