The Kin coffee table, from the collection of Dutch interior design brand Basiclabel, is the perfect addition to stylish interior styles. Kin looks stylish in a botanical, rural or retro interior. The subtle rounding creates a timeless design and the generous top offers enough room for decoration and your favourite cocktail plate!

Material

Acacia wood is characterised by its warm, red glow. This colour will soften slightly with use and exposure to light. The clear grain and flame markings give this durable wood a lot of character. Colour nuances, natural product.
