- Ø 135 cm

Dress your dining area stylishly with this natural tablecloth. Tablecloth Sunset is part of the BePureHome collection and is made of 100% cotton. The subtle print with leaves creates an aesthetic whole and adds extra atmosphere to your tableware.

## Material

The cotton tablecloths in our collections have a visibly high quality. The vegetable fibres are woven into a supple fabric that drapes romantically along the table edge. The natural cotton fibre is inherently very strong and hard-wearing. The dyeing of cotton fibres or threads is done with great care and therefore requires careful handling, for this reason avoid rough rubbing and direct sunlight.

## Dimensions

- Diameter: 135 cm
- Weight: 360 g

## Maintenance

It is possible to wash the tablecloth in the machine. With dark colours, it is recommended to wash the tablecloth separately the first few times, as the fabric may still give off colour. Use a mild detergent when washing.
