

Airy Planter Large White

PRODUCT FACT SHEET

Airy Planter Large White

You have to love a decent size planter. We all know that indoor green plants have taken over the world of interior design. And we see why. A little biophilia in your home enhances wellbeing on so many levels while looking good at the same time. This white-coloured planter in metal has a modern and elegant look that beautifully contrasts the green colours of plants. Lots and lots of green plants.
