Looking for a flexible light point in your living space? Then the Brim wall lamp, from the collection of Dutch interior design brand BePureHome, is a great solution! The Brim wall lamp has a manoeuvrable arm, allowing you to easily position the generous, linen-look lampshade as you wish.

Material

The manoeuvrable wall lamp is made of a combination of walnut-coloured wood and matte black metal. The lampshade is formed from matt white plastic, covered in a sand-coloured linen look.

Dimensions

- Height: 47 cm
