The Lizzy side table set of two comes from the Exclusive collection by Dutch interior design brand WOOD. The table set has a sleek design with the simple leg frame and stylish table top. The tables have a matt black finish, making them a timeless pair. The raised edge of the table tops ensures that spilled drinks stay safely on the table, which is just as practical for a family with young children!

### Material

The tables are made of mango wood with a matt black coating. Mango wood is characterised by clearly visible grain and colour nuances. The veins or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.
