With this Amber dining chair from the Exclusive collection of Dutch brand WOOD, you bring a wonderfully comfortable seat into your home. The Amber dining chair is a striking item that easily blends into any interior style. The swivel leg makes it easy to get in at the dining table and looks comfortable thanks to the generous design of the seat.

### Material

This Amber swivel chair is upholstered in a soft bouclé. Our Henry bouclé is a striking fabric within the bouclé collection. The high, irregular pile pattern has a subtle sheen which gives the fabric a beautiful hue. Henry is composed of a combination of 90% polyester fibres and 10% acetate fibres. This combination of man-made fibres ensures the fabric's high durability rating. With a Martindale of 100,000, the bouclé will not wear out easily. However, the soft pile pattern does make the fabric susceptible to loops, for this reason avoid intensive contact with sharp objects.
