### Additional description

- Characterful sideboard
- Made of mango wood with walnut finish
- Large (in)visible storage possibilities
- H 200 cm x W 60 cm x D 40 cm

This characteristic tall sideboard comes from the collection of Dutch brand BePureHome. The warm walnut-coloured finish of the mango wood creates the attractive look of the Draw 4-door cabinet. The playful leg frame gives the design air and provides plenty of stability. The 3D pattern on the doors give the item a unique feel.

### WARNING tipping hazard!

For cabinets higher than 50 cm, we recommend paying extra attention to the wall mounting. Fall prevention mounting prevents accidents and preserves the cupboard from tipping over.

### Material

Mango wood is known for its durability. Mango wood is also characterised by clearly visible grain and colour nuances.
