- Frame formed from black-coloured rattan
- Slim matt black metal base
- H 37 cm x W 63 cm x D 46 cm

Looking for optimal lounge fun for the summer months? Then the Vive outdoor hocker is a great addition to your outdoor lounge armchair! Vive comes from the WOOD Outdoor collection, is formed from black-coloured rattan and has a chic, matt black swivel foot. The stylish cushion is included.

Material

Rattan is the plastic version of the natural rattan. Rattan is a very strong product and has a high flexibility, this ensures that rattan has a long lifespan. Rattan is coloured in the natural light-yellow colour or in any other colour of your choice. Rattan has the same characteristics as rattan, such as thickening, unevenness and possibly striking colour shades.

Dimensions
- Height: 37 cm
