The Comforting Spices collection by Dutch interior design brand BePureHome consists of a wide selection of decorative cushions, quilts and tablecloths. The collection name already hints at the special colouring technique of these items. Following an ancient Indian pattern technique, the items are stamped with natural pigments such as herbs and spices like turmeric.

Material

The pouf's cover is made of 100% cotton. The cotton covers in our collections have a visibly high quality. The vegetable fibres are woven into a heavy fabric that can be upholstered beautifully tight around the item. The natural cotton fibre is inherently very strong and hard-wearing. The dyeing of cotton fibres or threads is done with great care and therefore requires careful handling, therefore avoid rough rubbing and direct sunlight.
