The Comforting Spices collection by Dutch interior design brand BePureHome consists of a wide selection of decorative cushions, quilts and tablecloths. The collection name already hints at the special colouring technique of these items. Following an ancient Indian pattern technique, the items are stamped with natural pigments such as herbs and spices like turmeric.

Material

The quilt with exceptional heavy quality is made of 100% cotton. The cotton quilts in our collections have a visibly high quality. The vegetable fibres are woven into a heavy fabric that can be generously draped. The natural cotton fibre is inherently very strong and hard-wearing. The dyeing of cotton fibres or threads is done with great care and therefore requires careful handling, for this reason avoid rough rubbing and direct sunlight.
