Additional description

- Heavyweight plaid
- Made of 100% natural cotton
- Jacquard woven print
- L 130 cm x W 170 cm

This detailed jacquard woven plaid is from the collection of Dutch interior design brand BePureHome and has a striking heavy quality. The colour palette and mystical print is inspired by Eastern serenity. The Circuit plaid is made of 100% cotton and has a comfortable feel.

Material

The plaid is made of 100% cotton. The cotton plaids in our collections have a visibly high quality. The vegetable fibres are woven into a supple fabric that shapes nicely around the cushion filling. The natural cotton fibre is inherently very strong and hard-wearing. The colouring of cotton fibres or threads is done with great care and therefore requires careful handling, for this reason avoid coarse friction and direct sunlight.

Dimensions

- Length: 130 cm
- Width: 170 cm
- Thickness: +/- 0.1 cm

Care instructions

It is possible to wash the plaid at 30 degrees, let it air-dry but avoid direct sunlight. With a dark-coloured plaid, it is recommended to wash it separately the first few times, as the fabric may still give off colour. Use a mild detergent when washing, otherwise the fabric may harden and feel less comfortable.

Delivery

The plaid comes in a package that may damage the plaids...
