Striking by its simplicity, that's this stylish mirror. The Enclose organically shaped mirror comes from the collection of Dutch interior label BePureHome and is a striking item. You place the mirror exactly as it fits in your wall collage. Enclose combines well with other mirrors, shelves, prints or ornaments. This way, you can easily create your own style!

## Material

The mirrored glass in our collections are characterised by their clear reflection and smooth structure. A mirror is composed of a transparent glass with a layer of silver-coloured metal behind it. Coloured mirrored glass gets its colouring in the glass plate, so it retains its bright reflection.
