Create your ideal meeting room with the elements from the Tablo Lungo series by Dutch interior design brand WOOOD. The Tablo Lungo has many extension options and various sizes available to create a meeting table of the desired size. For example, end the table playfully with this round-shaped end leaf, available with and without a recess for a power point.

Material

Ash is a slightly soft wood with a clean, straight grain. Ash wood is strong and hardwearing.
