Sleekly shaped in a soft, fleecy jacket. The Rowan pouf is a fun addition for a Scandinavian interior. The Rowan pouf comes from the collection of Dutch interior design brand WOOD and is upholstered in a wonderfully soft bouclé.

Material

This soft bouclé has an elegant texture that immediately brings warmth into your home. The dense weaving ensures the strength of the fabric, which makes the bouclé unlikely to wear or tear. Each colour also has a high colour fastness, but it is recommended to avoid direct sunlight to avoid colour shades.

Dimensions

The footstool has a height of 40 cm and width and depth of 52 cm. The floor protectors at the bottom are formed from plastic and have a circumference of 2 cm.

Care instructions

Dab any stains dry immediately with a clean cloth or tissue. Definitely do not rub! Most
