The Josse shoe rack is stylish, trendy and minimalist. This makes Josse a practical storage for shoes and boots. Dutch interior design brand WOODO includes a shoe rack collection with various hanging - and standing shoe storage units, which means endless combination possibilities!

Material

The metal in our collections has various finishes, such as: a powder coating. A powder coating creates a luxurious look and protects the metal for life. A powder coating is a lacquer that is attached to the metal by means of high temperatures. Powder coating ensures full colour coverage and has a matt or (slightly) glossy finish.
