The Silk dining chair is from the collection of Dutch brand Basiclabel. The chair is a stylish, comfortable dining chair with a trendy look and has a pleasant, secure seat. The rounded design makes the chair look friendly and luxurious, the slightly shiny chenille fabric brings softness to the whole and makes Silk the eye-catcher of your dining area.

Material

Our Occa velvet is a matt-gloss, generous short chenille. The knitted fabric has a soft, full grip and a rich look. Occa is composed of 100% polyester and has a Martindale of 30,000, making the fabric very hard-wearing and colour-fast. Knitted fabrics are always slightly stretchy and therefore very suitable for tight furniture upholstery. The playful height differences in the sheared pile add depth to the colour nuances of the fabric.
