The mark of
responsible forestry

basiclabel

Additional description

- Round dining table with robust leg frame
- Made of FSC-certified oak wood
- Enough space for 4-5 people
- H 75 cm x Ø 129 cm

Looking for the ideal dining table for cosy dining in your favourite company? Then the Fries dining table, from the collection of Dutch brand Basiclabel, is your match! Fries takes up little space but brings a lot of cosiness with it because of its round shape and matt black colour finish. The robust leg frame gives Fries a tough look.

Material

Fries is formed from treated oak (FSC). Oak is characterised by its light brown hue with a soft yellow glow and clearly visible grain. The oak wood in our collections is always 100% FSC-certified. Untreated oak can change its appearance under the influence of light and heat. The extent to which this happens depends on the room in which the furniture is placed. Deviations of the furniture compared to the model in the showroom are therefore self-evident.

Dimensions

- Height: 75 cm
- Width: 129 cm
- Depth: 129 cm
- Top thickness: 2.4 cm
- Foot height: 72.5 cm
- Leg thickness: 28x2.4 cm
- Weight: 25 kg
- Weight capacity: 150 kg

Maintenance

Treated oak is very easy to maintain. Keep the furniture dust-free regularly with a clean, dry cloth. Always apply bas
