The range of home decoration within the collection of Dutch interior design brand BePureHome has been expanded with this playfully shaped snack board: Crest. The Crest shelf is characterised by its stylish, sloping edge and warm-coloured mango wood. The item has a sleek look and every Crest shelf is unique.

Material

Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.
