Chic and elegant that's what this Vogue bar stool from the collection of Dutch brand BePureHome is all about. The legs are made of metal with a black powder coating. The friendly round shapes in combination with the soft, rich velvet fabric make this bar stool a piece of jewellery for today's interior.

### Material

The material of the Colmar bouclé fabric responds to the latest trend: soft materials. The fabric is comfortable and has an elegant texture. Our Colmar bouclé has a Martindale rating of 100,000, which means the fabric is suitable for intensive use. The dense weave ensures the strength of the fabric, which means that the bouclé will not wear out or tear easily. Also, each colour has a high colour fastness, but it is recommended to avoid direct sunlight to avoid colour nuances. The base of the Vogue bar stool is made of metal with a matte black powder coating. The seat frame is made of a combination of chipboard and plywood. The seat contains elastic straps and a T3542 foam which pro...
