The dining room bench Lucy is from the collection of Dutch interior design brand WOOD and stands out thanks to its trendy upholstery: off-white coloured bouclé fabric. A dining room bench is space-saving and a real mood creator, perfect for cosy dinners and endless game nights!

Material

Lucy is upholstered in a woolly bouclé. Our Henry bouclé is a striking fabric within the bouclé collection. The high, irregular pile pattern has a subtle sheen which gives the fabric a beautiful hue. Henry is composed of a combination of 90% polyester fibres and 10% acetate fibres. This combination of man-made fibres ensures the fabric's high durability rating. With a Martindale o
