Add an extra dimension to your favourite flowers with this vase with wooden detail. Vase Celeste comes from the Exclusive collection by Dutch interior design brand WOOD and is a stylish item with a cool touch. The blue-green colour of the blown glass has an atmospheric, warm undertone and combines well with the warm-coloured wooden cap.

Material

The glassware in our collection is made of high-quality glass. The artisanal glassware is made in the Netherlands. The colouring of transparent glass is done at an early stage of the production process.
