Stylish in its simplicity, that's our Link dining chair. The dining chair from the Exclusive collection by Dutch interior design brand WOOD has a slim metal base, coated in a sand colour. The seat is upholstered in a matt-gloss, soft ribbed fabric with a distinctive sinuous striped pattern.

Material

Our Ella is a woven fabric with a soft, velvety grip. The fabric has a slight hue and is woven with a chenille thread of combination fibres (93% polyester and 7% nylon), this gives the fabric a visible depth! With a Martindale of 40,000, the fabric will not show signs of wear easily. The Ella woven fabric is known for its colour fastness and easy maintenance.
