SARA LOUNGE ARMCHAIR LEFT TEDDY OFF WHITE

wood

Additional description

- Conspicuously subtle through friendly shapes
- Cuddably soft upholstery
- Part of the Sara collection
- H 71 cm x W 112 cm x D 81 cm

Sleek, subtle and friendly shapes. The Sara series, from the collection of Dutch interior design label WOOD, consists of various models and a wide range of basic and trend colours. The softly rounded corners combined with the comfortable upholstery make Sara a true eye-catcher in any interior! The high, wooden legs give the design air, making your favourite Sara item fit easily into any living space. Which Sara will soon enrich your home?

Material

Sara is constructed from a combination of FSC-certified hardwood and MDF. The seat is padded with a T3538 foam and the back contains a T2130 foam, providing firm, supportive seating comfort. The foam seat is kept in shape by strong elastic bands. The legs are made of birch wood.

Sara is upholstered in a soft teddy fabric. This super-soft, knitted fabric feels and looks like a comfortable sheepskin. The fabric is composed of 100% polyester and has a Martindale of 40,000. This soft sheep fabric is machine knitted, which means the fibres have a constant density across the entire surface of the furniture. The fabric is surprisingly strong but requires careful cleaning.
