Looking for a generous wardrobe? Then Noah is the right choice! Two-door wardrobe Noah comes from the collection of Dutch interior design brand WOODOO and is made of FSC-certified pine in a calm grey shade. The Noah wardrobe contains six generous compartments and one sturdy rod. So the wardrobe offers enough space for your wardrobe and is also a stylish piece for the bedroom.

WARNING tipping hazard!

For furniture higher than 50 cm, we recommend paying extra attention to the wall mounting. Drop prevention mounting prevents accidents and preserves the furniture from tipping over. The fall prevention is included.

Material

The Noah 2-door wardrobe is formed from brushed pine finished in a fresh colour: dust. The interior is finished in untreated pine material with a dust-colour.
