Additional description

- Sturdy coffee table with clean lines
- Made of natural mango wood
- Highly visible grain marks and knots
- H 30 cm x W 70 cm x D 120 cm

The Cuno coffee table is a robust addition to the Exclusive collection by Dutch interior design brand WOOD. The spacious table has a simple design but is very expertly and generously crafted. The mango wood has clearly visible vibrancy, which makes the table an exceptionally sturdy specimen. Is your home style ready for such a robust resting point?

Material

Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.
