The Jessy stool is from the Exclusive collection by Dutch interior design brand WOOD. Jessy is a striking item with a timeless design, the combination of natural materials: mango wood and cord, ensure that Jessy blends in beautifully with botanical, bohemian and Scandinavian interior styles. If you combine Jessy with a light colour palette, it even looks like Japanese design.

Material

Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.
