The Dutch interior brand Basiclabel's Dutch Grounds collection consists of a wide selection of decorative cushions, plaids and poufs. The colour palette and graphic design is inspired by the various layers of our rich clay soil. This oblong decorative cushion is made of 100% cotton. The Basiclabel decorative cushion collection offers a fine base in your seating area.

Material

The cushion cover is made of a soft 100% cotton velvet. The cotton cushion covers in our collections have a visibly high quality. The vegetable fibres are woven into a supple fabric that shapes nicely around the cushion filling. The natural cotton fibre is inherently very strong and hard-wearing. The colouring of cotton fibres or threads is done with great care and therefore requires care
