Material

The base is made of matt black metal, giving the dining chair a timeless look. The seat is upholstered in our soft Colmar bouclé fabric. The material of the Colmar bouclé fabric responds to the latest trend: soft materials. The fabric is soft and has an elegant texture that immediately brings warmth into your home. Our Colmar bouclé fabric has a Martindale of 100,000, which means it is suitable for intensive use. The dense weave ensures the strength of the fabric, this makes the bouclé unlikely to wear or tear. Each colour also has a high colour fastness, but it is recommended to avoid direct sunlight to avoid colour shades.
