Sleek, subtle and friendly shapes. The Sara series, from the collection of Dutch interior design label WOOD, consists of various models and a wide range of basic and trend colours. The softly rounded corners combined with the comfortable upholstery make Sara a true eye-catcher in any interior! The high, wooden legs give the design air, making your favourite Sara item fit easily into any living space. Which Sara will soon enrich your home?

## Material

Sara is constructed from a ... filled with a VP35 foam and the back contains a VP21 foam, providing firm...
