Create your ideal dining area with the elements from the Tablo series by Dutch interior design brand WOODOO. Tablo has many combination possibilities and various sizes available to furnish your dining area exactly as you like it. For example, choose this generous extra-large table top with the robust Drenthe leg for a solid, sturdy look.

Material

Oak is characterised by its light brown shade with a soft yellow glow and clearly visible grain. The oak in our collections is always 100% FSC-certified. Untreated oak can change its appearance under the influence of light and heat. The extent to which this happens depends on the room in which the furniture is placed. Deviations of the furniture from the model in the showroom are therefore self-evident.

The metal in our collections is made of brass. A powder coating process is used. The powder coating is a lacquer that is attached to the metal using high temperature...
