Get a unique cabinet creation in your home with this Basu series. Basu comes from the Exclusive collection of Dutch interior design brand WOOD and stands out with its playful lines, matt natural tones and timeless Scandinavian design. The Basu collection is playfully composed in colour options, cabinet versions and the expansion option of stylish top upholstery in concrete decor. This way you personalise your Basu entirely to your liking!

WARNING tipping hazard!

For cupboards higher than 50 cm, we recommend paying extra attention to the wall mounting. Drop prevention tipping over.
