wood

Additional description

- Cuddly dining chair
- Upholstered in soft bouclé (100% polyester)
- Simple design and high seating comfort
- H 79 cm x W 58 cm x D 58 cm

The Juno dining chair comes from the Exclusive collection by Dutch interior brand WOOD and is a very pleasant addition to the dining area thanks to its woolly upholstery. The soft bouclé and fine support of the seat provide the high seating comfort of this dining chair. With Juno, you are guaranteed to dine for hours!

Material

The Juno dining chair has metal legs with a matte black powder coating. The seat is formed from a steel frame and plywood, covered with a polyurethane foam. The seat is upholstered with a woolly bouclé. This soft bouclé has an elegant texture that immediately brings warmth into the home. The dense weaving technique ensures the strength of the fabric, which means that the bouclé will not wear out or tear easily. Each colour also has a high colour fastness, but it is recommended to avoid direct sunlight to avoid colour shifts.

Dimensions

The Juno dining chair has a height of 79 cm, width and depth of 58 cm. The seat height is 49 cm, seat width 44 and a seat depth of 42 cm provide good support. The back protrudes 35 cm above the seat and the armrests are 64 cm high when measured from the ground, which creates a feeling of security. The legs are 38 cm high and tapered. The distance between the front and rear legs is 48 cm, between the two front legs it is 40 cm. Juno can carry up to 120 kg per seat.
