Additional description

- Sturdy, natural stool set
- Made of rough-sawn wood
- Extra durable due to recycled aspect
- H 45 cm x W 30 cm x D 30 cm

The set of two sturdy Trunk stools are a unique duo! The stool set from the BePureHome collection are made of heavy quality rough-sawn wood. This means the stools are characterised by robust knots and grain. The residual wood of the creatively shaped leg set is used as the base of the second stool, resulting in a perfectly fitting pair with optimal use of the wood, nice and sustainable!

Material

Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very not easily be damaged.
