This striking side table brings plenty of character and atmosphere. The Shoal side table is an item from the collection of Dutch brand BePureHome. Shoal is made of ceramic, shaped by a handmade mould and given a glossy finish. The plain surface creates a luxurious look, giving the small table a very interesting appearance.

### Material

Ceramics are formed from moulded, fired clay. The ceramic items in our collections are glazed with a matt or glossy layer, this provides a striking appearance and an extra protection of the material. Our ceramic items are suitable for indoor and outdoor use, but cannot withstand hard rain and frost. Ceramic is extremely heat-resistant but can be fairly porous when handled roughly, careful maintenance is therefore recommended.
