Additional description

- Side table with striking design
- Colourful mix of colours
- Made of glossy glazed ceramic
- H 45 cm x W 33 cm x D 33 cm

This striking side table brings plenty of character and atmosphere. The Terra side table is an item from the collection of Dutch brand BePureHome. Terra is made of ceramic, shaped by a handmade mould and finished glossy. The plain surface creates a luxurious look, giving the table a very interesting appearance.

Material

Ceramics are formed from moulded, fired clay. The ceramic items in our collections are glazed with a matt or glossy layer, which provides a striking appearance and additional protection of the material. Our ceramic items are suitable for indoor and outdoor use, but cannot withstand hard rain and frost. Ceramic is extremely heat-resistant but can be fairly porous when handled roughly, careful maintenance is therefore recommended.
