Each item in our papier maché series is unique. Unique in size, finish and texture. This is because the papier maché items from the collection of Dutch brand BePureHome are completely handmade. To enjoy our papier maché items for a long time, keep them away from moisture and heat.

Material

Papier-mâché is a traditional design art based on paper and glue. The papier-mâché items in our collections are composed of 100% recycled cardboard and paper and have a light brown shade in the base. The papier-mâché items can be coloured to white or a darker grey/brown shade using a natural pigment.

Dimensions

- Height: 40 cm
- Width: 15 cm
- Depth: 8 cm

Maintenance

All items are handmade, therefore the accessories may differ in size, proportion and finish from the product photography and the item in the shop. The papier-mâché items are not resistant to water and heat, it is recommended to use the items purely for decoration. You can easily keep the items dust-free with a clean, dry cloth. Avoid moisture and detergent, this may cause the product to deform.

Delivery

The deco is delivered individually with a minimum order of six pieces. To protect the item and the surface, place felt c
